

LILLE Programs Mission Statement

The LILLE (Learn In Lille, Live Europe) programs aim to offer a diverse selection of innovative academic courses to international students. In accordance with the holistic approach of the university, the LILLE programs emphasize the student experience as well as the cultural and intercultural aspect of academic learning. The LILLE programs offer personalized service and support to students in a healthy and safe atmosphere.

The LILLE programs build on close partnerships with universities around the world, and involve staff, departments, faculties, and schools from across the *Université Catholique de Lille*, enhancing the internationalisation process of all institutions involved.

The LILLE programs also contribute to the international reputation and outreach of the *Université Catholique de Lille* and the Lille metropolitan area.
